

Advanced Hearing Board Workshop

Course #322

The Advanced Hearing Board Workshop is a comprehensive two-day course addressing the more technical issues faced by hearing boards and enforcement staff. It includes a "round-table" discussion in which the instruction panel presents specific topics and opens the floor for discussion and comments from the participants. This workshop is an exceptional informational course for board members and district staff along with offering an excellent resource for industry persons by providing valuable insight into the variance and hearing board process.
